This system works with professional coffee machines for HO.RE.CA

HOT & ICY

"Ginger" double doses capsules machine, for coffee & instant hot drinks
"Freddy" double doses capsules machine, for coffee, instant hot & ICY drinks

REGULAR DOSES

Ginger & Freddy machines allow to adjust the brewed product quantity by pressing a button.

COMFORT AND ELEGANCE

Thanks to the compact size, but with a bigger tank capacity, the machines are suitable for all solutions (HO.RE.CA and OCS channels)

EMULSION AND CREAMINESS

Thanks to an integrated blending system, the machines manage and emulsify perfectly either all instant drinks both all coffee blends, with an optimal taste & performance in the cup.

THE CAPSULE

already drilled, allows for an easy brewing of the product.
14.5 g Double Doses capsule

100% RECYCLABLE CAPSULE

100% recyclable food-grade polypropylene

INDIVIDUALLY PACKAGED-WRAPPED

the hermetically sealed packaging, keeps all the fragrance of the product and allows a very long shelf life.

THE BOX

The box is very compact & stackable. It contains 25 caps for instant products; 20 caps for coffee blends.
Master carton: 16 boxes
